

Steps to get tested for COVID-19 in Ferry, Stevens, and Pend Oreille Counties

FOLLOW THE STEPS BELOW: If you have symptoms of Coronavirus, or have questions about symptoms you may be experiencing, follow the steps below to help protect other people in your home and community.

Call ahead before visiting your doctor

- If you are short of breath or have chest pain, you need to call your health care provider immediately, or call 911.
- If you call your health care provider...Please avoid going to the clinic, or other places you could expose others to the virus. Tell them you are experiencing symptoms or are unsure if you should be tested.
