

FAST TRACK APPLICATION INSTRUCTIONS

Step 1: View the Position Listing to view all open positions and apply, click on “Search.” If you have already applied for a position and want access to your profile, enter in your username and password then click on “Log In”. If you forgot your username or password, click on “Forgot your username/password?” to have an email sent to you with your information.

The screenshot shows two panels. The left panel, titled "Search Current Job Openings", features a magnifying glass icon and a link that says "Click to view current job openings". The right panel, titled "Existing Applicants Please Log In", includes a person icon with a clipboard, instructions to log in with a username and password, two input fields for "Username:" and "Password:", a "Log In" button, and a link for "Forgot your username/password?".

Check the checkbox of the position you want to review and click on “View Details of Highlighted Position.” At this step, you also have the option to apply for the position without reviewing it.

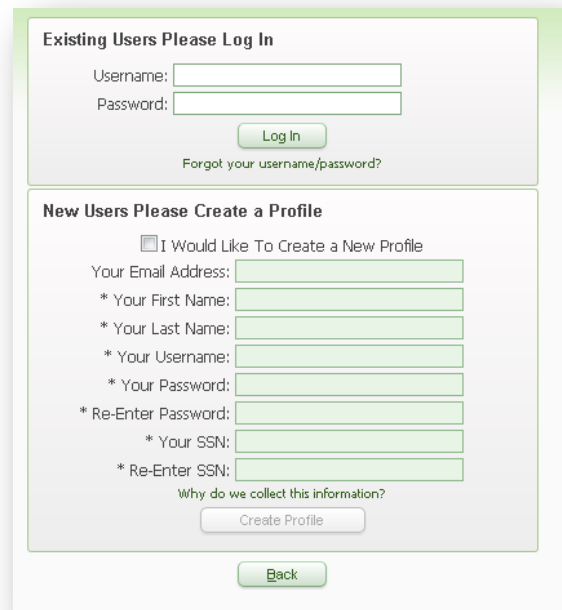

The screenshot displays a table titled "All Posted Positions Via Employee Access" with columns for "Apply", "Category", "Position Description", "Assignment Description", "Location", and "Job Type". A single row is visible with a checked checkbox in the "Apply" column, "CLASSIFIED" in "Category", "ADMIN ASSTS" in "Assignment Description", and "LUCILLE UMBARGE" in "Location". To the right of the table are several buttons: "Update Job Filters", "View Details of Highlighted Position", "Apply for Selected Position(s)", and "Log In".

Step 2: Apply for the job or review the position listing. The position listing will give you a preview of the questions included in the online application. When you're ready to begin the online application, scroll to the top of the page and click on the “Apply for Position” button.

Step 3: Create a Profile (first time only). You will need an e-mail address and password to access the online application. After you click on Apply for Position, you will be asked to either enter your existing username and password or create a new user profile. If this is the first time you have applied for a job electronically with the Sedro-Woolley School District, check the box that says “I Would Like to Create a New Profile,” enter your information, then click on “Create Profile.”

****Please make a note of your username and password as you will need it to access your applicant profile in the future.**

The screenshot shows a form with two sections. The top section, "Existing Users Please Log In", has input fields for "Username:" and "Password:", a "Log In" button, and a link for "Forgot your username/password?". The bottom section, "New Users Please Create a Profile", includes a checkbox for "I Would Like To Create a New Profile" and several input fields for "Your Email Address:", "* Your First Name:", "* Your Last Name:", "* Your Username:", "* Your Password:", "* Re-Enter Password:", "* Your SSN:", and "* Re-Enter SSN:". Below these fields is a "Why do we collect this information?" section with a "Create Profile" button. At the very bottom of the form is a "Back" button.

Step 4: Begin your Online Application. Be sure to complete all sections of the application. Each section (except Comments) contains a checkbox indicating that you have entered the information to the best of your abilities. Checking the checkbox will also change the status of the corresponding section below to 'Completed.' When no sections are marked 'Incomplete,' you may submit your application to Human Resources at the right. Once your application has been submitted, you may log back into your profile and make updates to the application until the closing deadline. ****Your application is automatically saved as you enter data.** If you cannot complete your application all at once, just click on the "Return to Profile" button to see that your information for that application was saved and then click on "Log Out." When you want to return and finish, just log back into the system with your username and password.
